 REAL-WORLD SKILLS

OVERVIEW

PROGRAM INTRODUCTION

Our work with 5000+ teachers and schools like Shiv Nadar School, Cambridge School, MR Jaipuria Schools, Learning Links Foundation, and Lead Schools have taught us that when it comes to teaching, or landing a job - **process and preparation wins every time.**

Based on feedback from teachers we have worked with, Niiv Learning Labs has crafted a special and exhaustive training program for B.Ed. students to facilitate a smooth transition from **'Learning to Teaching'**.

The program includes exhaustive coverage of how to -

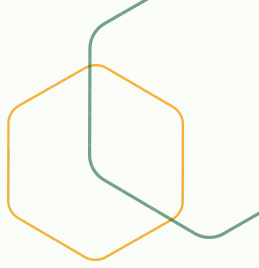

- **Make the most of your B.Ed. course curriculum and experience.**
- **Plan your career, prepare and ace the interview, and**
- **Outshine during the first 30 days of your job.**

A 'MUST ATTEND' WORKSHOP-FORMAT PROGRAM THAT WILL TEACH YOUR STUDENTS SKILLS IN PRODUCTIVITY, EARLY CAREER PLANNING, COMMUNICATION, ONLINE PERSONAL BRANDING, CREATING A PORTFOLIO AND MANAGING WORKPLACE CHALLENGES.

ABOUT NIIV LEARNING LABS

Niiv is a 'for purpose & new-age' education initiative with focus on making 21st Century Skills accessible to schools (leaders, teachers & students), businesses, and individuals (women, youngsters, and parents).

We started Niiv Learning Labs, because we wanted to help students, educators, youngsters and women access skills that are crucial but yet to reach our schools and classrooms, including Financial Literacy, Workplace/In class Communication, Emotional Intelligence and Productivity to name a few.

THANK YOU!
